

RESUME

NITIRAJ SHETE

M Sc. Statistics (12+ Years of experience as Biostatistician and Academician)

DOB: Dec. 7, 1987

Mobile No: + (91) 8000717702 / 7778005706

E Mail: nit.shete@gmail.com / nit_eins@yahoo.com

Objective: Would like to ensure a career as a Statistician in your organization for professional growth and complete job satisfaction

Statistical Expertise:

- Independent sample t-test, Paired sample t-test, ANOVA, ANCOVA (Mixed Model), Repeated measure ANOVA (MMRM).
- Chi-square test, Fisher exact test, CMH test, McNemar's test, Binomial test, Clopper Pearson method for CI, Newcombe method for CI.
- Wilcoxon signed rank test, Mann Whitney test, Van Elteran test, Kruskal Wallis test, Friedman test, Rank ANCOVA, Hodges Lehmann estimator.
- Survival analysis: Log-Rank test, Cox Regression, Kaplan-Meier plot.
- Regression: Binary logistic regression, Poisson regression, Ordinal logistic regression, Negative binomial regression, Bayesian logistic regression.
- Checking of Normality assumption: KS test, Shapiro-Wilk test, QQ plot.
- Sample size estimation, Randomization in parallel and crossover study design,
- ROC curve analysis and Sampling techniques.
- Correlation (Pearson's correlation coefficient, Spearman Rank correlation).
- Methods of agreement (Kappa statistic, Bland Altman plot).

Current Job Profile:

⇔ Working as a Bio-statistician in Muljibhai Patel Urological Hospital (MPUH), Nadiad, Gujarat since 11 December 2019.

As a Statistician, I am responsible for the following:

- Writing Statistical Analysis Plan according to the objectives of study as provided by doctors for their research projects.
- Preparing master file into analyzable form.
- Analysis of hospital data with the help of different software like SPSS, R-Language and MEDCALC as per the Statistical Analysis Plan (SAP).
- Making Graphics using software like SPSS, MS EXCEL, R-Language and MS POWERPOINT.

- Reporting and interpreting the outcome of the analysis.
- Writing and reviewing in statistical part of DNB projects, Company Grants, Govt. Projects

Previous Job Profile:

-
- ⇔ I was worked in Sardar Patel University as an Assistant Professor (Adhoc)
 - ⇔ Since Aug-2011 to Dec-2019
 - ⇔ Total Years of Experience in teaching 08 years 3months in teaching.
 - ⇔ Work profile
 1. Since 2011, I have guided 93 various projects regarding Statistics, Six Sigma, ISO, Marketing research, 5S implementation and seven quality control tools implementation in industry. (Appendix 2)
 2. I taught the statistics subjects (Marketing Research, Design of Experiments, Statistical Quality Control and Reliability, Multivariate techniques, Business Statistics etc.)
 3. Also taught practicals based on Excel, Minitb, SPSS and R-language.
 4. Work as academic incharge and Project as well as job placement incharge.
 5. I was worked in organizing committee of different International/National/State level Workshop/seminar/training program (Appendix 1)
 - ⇔ Giving consultancy to Students (researcher) from various department of university (Bioscience, Home science, Biotechnology, Education etc.) in analyzing their statistical data.
 - ⇔ For more detail please visit the following link of Sardar Patel University
http://www.spuvvn.edu/academics/departments/statistics/CV_NB%20SHETE.pdf

Technical Skill:

-
- ⇔ Operating system: Windows
 - ⇔ Software known to Compute Statistical Data: SPSS, MINITAB 16, R-language, Excel for Analysis, (MATLAB, Oracle and SAS at initial level)
 - ⇔ Office applications: MS Excel, MS Power Point, MS Word

Strengths:

-
- ⇔ A result oriented analytics and ability to understand the business behind the projects.
 - ⇔ Ability to work with team player
 - ⇔ Quick learner
 - ⇔ Hard working

Other:

-
- ⇔ Educational background in M. Sc. Statistics
 - ⇔ Languages Read, Speak and Write: English, Hindi, Marathi, Gujarati.
-

Education and Professional Trainings:

- ⇔ M.Sc. in Statistics (2010) from Sardar Patel University, Anand Gujarat - 62.69%
- ⇔ B.Sc. in Statistics (2008) from Shivaji University Kolhapur, Maharashtra – 62%
- ⇔ 12th STD (2005) from Maharashtra Board in Science Stream. – 63.33%
- ⇔ 10th STD (2003) from Maharashtra Board. – 68.26%
- ⇔ Certificate courses: (1) Bio Statistics (2) SPSS
- ⇔ JIPMER Research Leadership Mentoring Programme (Two Phases of Intensive Offline Training with Hands on Exercise in Research Designs, Biostatistics, Use of statistical packages and Research Proposal Writing) – Completed in Jan-2023.
- ⇔ Online Post Graduate Program in Artificial Intelligence for Leaders (PGP-AIFL) 2023-24 at Great Lakes and The University of Texas at Austin, McCombs School of Business – Pursuing.

Research Paper Published:

- Kamal Vyas, **Nitiraj Shete** (2013), Factors Influencing customers' Preferences When Taking Loans From Banks: With Reference To Mehsana Region, The Journal of Management and Co-operation (NICM Bulletin)-Special Issue, Vol. X (2), pp. 91-100 (2013), ISS No. 2249-2275.

Interests and Extra-Curricular Activities:

-
- ⇔ Active participation in various cultural programs.
 - ⇔ Travelling, Photography, Playing Chess

Achievement:

-
- ⇔ Got **Sardar Patel Research award** for Research Paper entitled “**A frailty Model Approach to Completely Randomized Design**”, on January 24, 2018 at Annual Convocation Day of Sardar Patel University in presence of Hon. Governor of Gujarat Shri. O. P. Kohli (Chancellor of University) and Dr. Shirish Kulkarni, Vice Chancellor, Sardar Patel University.

- ⇔ Qualified **ICAR NET**, Dec 2018 in subject of **Agricultural Statistics** Conducted by Agriculture Scientists Recruitment Board (ASRB).
- ⇔ Research Paper presented and received first price in the, Virtual International Multidisciplinary Conference (19th July 2020), Organized by KVNМ and DRB Commerce college, Affiliated by VNSGU, Gujarat.

I hereby declare that the above facts and information are true to the best of my knowledge.

NITIRAJ SHETE

Appendix 1

Training, Conference, Seminar and workshop attended and organized:

- ❖ Attended “National Workshop on Medical and Pharmaceutical Statistics” UGC Sponsored conducted by Sardar Patel University, V. V. Nagar, Anand, Gujrat.
- ❖ Attended “2011 SERC School on Matrix-variable Calculus and Statistical Distribution Theory with Applications” Sponsored by DST, Government of India, New Delhi, Centre for Mathematical Sciences, Arunapuram., Pala, Kerala, India
- ❖ Attended International workshop on “Statistics and Society” Supported by World Bank Trust Fund for Capacity Building Organized by International Statistical Institute’s Outreach Committee for South Asia with academic partner Department of Statistics, SPU, V.V. Nagar, Anand, Dates: April 4–6, 2015
- ❖ Organized one day state level seminar on “Career Opportunities in Statistics”, dated 7th January 2012, at Department of Statistics, SPU, with responsibility as joint secretary.
- ❖ Organized one day state level seminar on “Career opportunities in Quality Management”, dated 21st January 2013, at Department of Statistics, SPU
- ❖ Organized one day state level seminar on “Career opportunities in Quality Management”, dated 12th February 2014, at Department of Statistics, SPU
- ❖ Organized and attended two days UGC Sponsored (SAP-DRS-I) National Seminar on “Research in Statistical Science: Past, Present and Future” dated 23rd – 24th February 2014, at Department of Statistics, SPU
- ❖ Organized one day state level seminar on “Career opportunities in Quality Management”, dated 10th February 2015, at Department of Statistics, SPU
- ❖ Organized and attended National Level One-Day Seminar on “Career Opportunities in Quality & Productivity Management”, February 20, 2016
- ❖ Organized and attended UGC SAP-DRS II Sponsored Two-Day National Seminar on “Recent Advances in Statistics and Their Applications”, March 17-18, 2017
- ❖ Organized and attended A State Level One-Day Seminar On “Career Opportunities in Quality & Productivity Management” February 9, 2017
- ❖ Organized and attended UGC SAP-DRS II Sponsored Two-Day National Seminar on “Recent Advances in Statistics for Industries and Corporates”, February 10-11, 2018
- ❖ Organized and attended UGC Sponsored SAP (I) – DRS (II) Supported Two-Day National Conference On “Recent Advances in Statistics and Statistical Practice”, Date: 1-2, March 2019
- ❖ ‘International Conference on Applied Linear Algebra, Probability and Statistics’(ALAPS 2020), **participation and delivering a contributed talk entitled, A Frailty Model Approach to the Design of Experiments**, organized by Manipal Academic of Higher Education (MAHE) on 17-18 Dec-2020.

Appendix 2

List of Industrial Projects and academic projects Guided:

<i>Sr. No.</i>	<i>Project Title</i>
1	“Improving Easiness For Better Productivity by Implementing 5s”, at 3one Threads, Surat
2	“5S Implementation & It’s Effects On Organization”, at Rhino Machines, Anand
3	“5S Implementation at Shivam Industries”, Anand
4	“5S Implementation & It’s Effects On Organization”, at Ritul Engineering Company, Anand
5	“Implementation of 5S”, at Om Shivam Threads, Surat
6	"5S Implementation", At Finecast Pvt. Ltd, Anand
7	“Improving Easiness for Better Productivity in an Organization”, at Suryadeep Alloy Steel Casting Pvt. Ltd., Anand
8	“To Reduce Rework and Rejection In Manufacturing Process Of Fertilizer Tank by 7 Qc Tools”, at Shivam Industries, Anand
9	“To Reduce Rework And Rejection By Implementing 7 Qc Tools”, at Unique Forging Pvt. Ltd Anand
10	“Reduction In Bare Scrap Produced By Extrusion Machine Through 7 QC”, at Vidya Wires Pvt. Ltd, Anand
11	“To Reduce Rejection and Rework in Panel box”, at Krishna Engineering, Baroda
12	A Market Research Project On, " Comparative Study Of Two Wheeler Companies"
13	A Market Research Project On "Study On Youth Approach Towards Mobile Phone Usage”
14	A Market Research Project On, "The Evolution Of Quick Service Restaurant In Anand City"
15	A Market Research Project On, “Essential Of Solar Energy In Routine Segment”
16	A Market Research Study On, "Impact Of Inflation On Common People”
17	A Market Research Project On, "Attitude Of An Indian Consumer Towards Online Shopping"
18	A Market Research Study On, "Impact Assessment On Usage Of Micro Irrigation System In Gujarat"
19	A Market Research Study On, "Study Of Awareness & Level Of Implementation About Quality Concept In Organizations"
20	“Reduction Of Asp Laminates Wastage In Powder Packing Section”, at Amul Dairy, Anand
21	“Lean Six Sigma Project On Reduce Cycle-Time”, Piramal Glass Ltd. Kosamaba
22	“Reduction Of Bottle Wastage Through Six Sigma Methodology”, at Amul Dairy, Anand
23	“Reduction the Rejection Of Spiral Bevel Pinion”, at Elecon Engineering Anand
24	“Reduced Cycle Time In Cummins 250kva Through Six Sigma Methodology”, At Banco Industry Pvt. Ltd Baroda
25	“To Reduce Cycle Time In Casting Type Current Transformer”, At Transtech Magnetis Pvt. Ltd., Baroda
26	“To Reduce Scrap In Inner Boring Process”, At Precision Bearing Pvt. Ltd. Ahmadabad
27	“To Improve The Productivity Of Resorting By Lean Management”, At Piramal Glass Ltd., Jambusar
28	“A Lean Six Sigma Project To Reduce Batch Cycle Time” At Jay Chemical Industries Ltd

29	“Cycle Time Reduction In Fly Wheel Housing” At C. M. Smith & Sons Limited
30	“Decrease The Grouping Tolerance By Improving Bore Measurements Through Six Sigma” At Sharda Industries Ltd.
31	“Cycle Time Reduction In A Process Of Hv Cross-Over winding” At Se Electricals Ltd
32	“Reducing Defects In Pinion Through Grinding Allowance By Six Sigma Methodology” At Elecon Engineering Co. Ltd. (Gear Division)
33	“Reduce Rejection Rate In 29g Due To Wire Heald” At Maksteel Wire Heald Pvt. Ltd
34	“Reduce cycle Time of Assemble process” at Ultra Air-Tech Pvt.Ltd Vatva
35	ISO 9001-2008 Quality Management System Implementation At Online Print & Pack Pvt. Ltd.
36	ISO 9001-2008 Quality Management System Implementation At Two M Ophthotronics
37	“Improve productivity of solvent base paint through cycle time reduction”, At Beepee Coating Ltd
38	“Reduce Loose Weight In Biscuit Production”, At Sweety Industry Pvt Ltd.
39	“Lean Six-Sigma Project On Lead Time Reduction”, At B C Instrument India Pvt. Ltd.
40	“Reduce Cycle Time In Boiler Process Through Lean Six Sigma Methodology”, At Warm Stream, V.U.Nagar, Anand
41	“Reduce Excess Copper Scrap From Vem Machine”, At K. Patel Metal Industries Pvt. Ltd.
42	“Reduction Of Wastage In Top Shimming”, At Axar Plastic Industries
43	“Reducing a failure rate by improving inspection effectiveness on S11 line”, At Piramal Glass Limited, Kosamba
44	“Reducing The Rejection Of Gear Box”, At Peass Industrial Engg. Pvt. Ltd.
45	“Reduce Rejection of Disc Insert In Diameter Problem Through Six Sigma Statistical Tools” At Cosmos Engitech Pvt. Ltd.
46	ISO 9001-2008 Quality Management System Implementation At Indonet Plastic Industries
47	“Lead Time Reduction In A Process Of Artos Chain” At Thaker Engineering Co. Pvt. Ltd., Padamla, Baroda
48	“Reduce Wastage Of Form Board And Pvc Sheets Throigh Six Sigma Methodology” At Happy Vinimay Pvt. Ltd
49	“Reduce rejection of fuses in item 200*500 bottom”, At Ravikiran Ceramics Pvt. Ltd
50	“To Reduce Problems Occurring Due To Crack In Vacuum Breakers Insulators”, At Ravikiran Ceramics Pvt. Ltd
51	“Reduce Rework in 107MM links”, At Tripcon Engineering Pvt. Ltd
52	A Marketing Research Project on “Education Awareness Survey”, At AC Nielsen Company
53	“To Increase Productivity By Reducing Cycle Time”, At Beepee Coatings Pvt. Ltd
54	“To Reduce Cycle Time And Increase Productivity Of Diaphragm Through Lean Six Sigma Methodology”, At Shivam Sundaram Engitech Pvt. Ltd.
55	“To Reduce Batch Cycle Time”, at Jay Chemical Industries Ltd., Khambhat
56	“Cycle Time Reduction In Fly Wheel Housing”, At C.M. Smith, Nadiad
57	“Decrease Grouping Tolerance By Improving BORE Measurement Through Six Sigma”, At Sharda

	Industries, Baroda
58	“Cycle Time Reduction in a Process of HV Cross Over Winding”, SE Electricals Ltd., Baroda
59	“Reduce defects in pinion through grinding allowance”, at Elecon Engineering Co. Ltd. (Gear Division), Anand
60	“Reduce rejection rate in 29g due to wire heald”, at Maksteel Wire Heald Pvt. Ltd. Baroda
61	Marketing Research on, “Career Satisfaction in Ahmadabad City”
62	Market research project on, “cost of milk production”
63	Market research project on, “A Study on Customers Satisfaction towards LPG in House Hold”
64	Market research project on, “Social Project on current market potential of solar products specially solar pumps”
65	Market research project on, “AMC Water Supply Survey”
66	Market research project on, “Concept testing of schemopedia.org about its likeability and utility among its potential users”
67	Six Sigma Project on DMAIC Methodology To Reduce % Rejection in Hockey Handle Due to Shrinkage & Wiarpge Bend”, at FGHPPL ”
68	ISO 9001:2015 Quality Management System Implementation In Nidhi Meditech Systems
69	“A Lean Project On Dmaic Methodology Reduce Cycle Time Of Telescopic Platform 20.5 Mtr In Assembling Process”, at Maniar & Company
70	“Reduced Daily % Rejection in Compound Wound Field Motor” at Rotomag Motors & Controls Pvt. Ltd.
71	“Reduce Lead Time (TAT) Of CVPH Account”, at Mediscribes Pvt. Ltd
72	Reduce Cycle Time in Dying Neon Tissue Paper Rolls to Improve Productivity
73	Six Sigma Implementation At Hindalco Industries Ltd (Unit : Birla Copper)
74	“A Lean Project on DMAIC Methodology Reduce Cycle Time in Assembling Process of Articulated Platforms A-11.00 Mtr.”, at Maniar & Company
75	A Six Sigma project on “Reduce Rework In 100 Gm Butter Pack Due to Weight Variation” at Amul, Anand
76	“Implementation of ISO 9001:2015 QMS” at Elite Electronic Pvt. Ltd.
77	“Reduce Rework in ASP due to Weight Variation” at Amul, Anand
78	Market Research Project On, “Addressing The Logistic Challenges Of Cement Industries In India” At KMRC
79	“Reduce Cycle Time In Packing Process Of Mobile Vessel And Blenders Through Lean Six Sigma” At FLINT GROUP INDIA PVT.LTD.
80	“ISO 9001:2015 Quality Management System Implementation” At Nandan Denim Ltd
81	“Reduce The Lead Time To Fulfill The Customer Order” At Flint Group India Pvt.Ltd
82	“Reduce % Of Rejection In Conveyor Chain Links Manufacturing Process” At Tripcon Engineering Pvt. Ltd.
83	“ISO 9001:2015 Quality Management System Implementation” At Nandan Denim Pvt. Ltd.

84	“Reduction Of Chocomini Chocolate Rework Through Wrapper Wastage In Chocominis Chocolate Plant” at Kaira District Co-Operative Milk Producer Union Ltd, Food Complex Mogar
85	“Reduce Daily % Of Rework In Permanent Magnet D.C. Motor Model No. 70a Through Six Sigma Methodology” At Rotomag Motors And Controls Pvt.Ltd.
86	“To Increase Productivity By Reducing Cycle Time In 20 Litter Bucket” At Axar Plastic Industries Pvt.Ltd
87	“Reducing Cylinder Leakage In Automatic Hydraulic Paper Plate Machine” At Hariram Engineering, Surat
88	“ISO 9001:2015 QMS Implementation” At Gurukrupa Machining Works Pvt.Ltd.
89	A Comparative Study On Indian Rainfall Data Using Exploratory Analysis And Evaluating Different Time Series Models
90	A Comparative Study On Various Machine Learning Algorithm Using Black Friday Sales Data
91	Predicting Traffic Road Accident Using Time Series Anlysis
92	Text Analysis
93	To Study The Determinants Of Early Initiation Of Breastfeeding Within First Hour Or Not By Respondents After Delivery
