PROFILE

Experienced Research Scholar and Management Faculty specializing in Marketing for postgraduate students with a robust research background in Organizational Behaviour (OB) and Marketing. Skilled in analytics using Power BI, SQL, and Advanced Excel, I continuously explore emerging trends and methodologies, enriching classroom discussions with cutting-edge insights. My adaptive and analytical mindset tailors instructional approaches to diverse learning styles, ensuring student engagement and comprehension. Dedicated to driving excellence in both academic and practical spheres, I'm eager to contribute innovative solutions to a dynamic team.

SKILLS

- Visualisation using Power BI
- Microsoft Excel (Advanced)
- SQL
- Python
- Microsoft Office
