

CURRICULUM VITAE

PERSONAL INFORMATION

Dr. Manoj Kumar Singh

Assistant Professor (Research)
Department of Physics
IAH, GLA University
Mathura 281406, India

Address for Communication

Present Address

Assistant Professor (Research)
Department of Physics
Institute of Applied Science & Humanities
GLA University
Mathura 281406, India
Phone: +91-7755834535
E-mail: singhmanoj59@gmail.com

Permanent Address

Village : Jamaitha
Post : Sheopur
District : Jaunpur
Pin Code : 222180
Uttar Pradesh, India
+91-7755834535
singhmanoj59@gmail.com

OBJECTIVE

To work in an intuitive and insightful environment and enhance team spirit towards realizing the group goals.

RESEARCH INTEREST

Experimental Neutrino and Dark Matter Physics.
Research and Development of : Ge- detector, NaI(Tl) detector, Neutron detector,
Plastic Scintillator detector, Nuclear Emulsion detector etc.

TEACHING / RESEARCH EXPERIENCES

Total Teaching/Research Experience : 09 years and 11 months onward

Assistant Professor (Research)

March 02, 2019 onward
Department of Physics, Institute of Applied Science & Humanities, GLA University,
Mathura, India.

Dr. D. S. KOTHARI Post Doctoral Fellow (India)

December 07, 2016 to 28 February 2019
Department of Physics, Institute of Science, Banaras Hindu University, Varanasi, India.

Post Doctoral Fellow (Taiwan)

June 1, 2014 to December 04, 2016
Institute of Physics, Academia Sinica, Taipei, Taiwan

EDUCATION

Doctor of Philosophy: Awarded in April, 2014.

Thesis Title : Energy Dependence Study of Projectile Fragmentation of $^{84}\text{Kr}_{36} + \text{Emulsion Interactions}$.

Supervisor: Prof. Ramji Pathak

Veer Bahadur Singh Purvanchal University Jaunpur, UP, India.

Co-Supervisor: Prof. Venktesh Singh

Banaras Hindu University, Varanasi, UP, India.

Master of Science: *Physics; Secured 60.9 % (2007).*

Veer Bahadur Singh Purvanchal University Jaunpur, UP, India.

Bachelor of Science: *Physics, Mathematics, Chemistry; Secured 59.6 % (2005).*

Veer Bahadur Singh Purvanchal University Jaunpur, UP, India.

ORIENTATION AND REFRESHER COURSE

Orientation and Refresher Course Attended: 4

4-Week Faculty Induction / Orientation Programmes for Faculty in Universities/Colleges/Institutes of Higher Education

Organized by TLC (Ramanujan College), under PMMMNMTT(MHRD)

From 22 October 2023 to 20 November 2023.

Refresher Course on Astronomy and Astrophysics

Organized by Teaching Learning Centre (TLC) of IUCAA

From 16 May 2022 to 17 June 2022.

2-Weeks Interdisciplinary Refresher Course for Advanced Research Methodology Tools and Techniques

Organized by TLC (Ramanujan College), under PMMMNMTT(MHRD)

From 30 January 2021 to 14 February 2021.

4-Week Faculty Induction / Orientation Programmes for Faculty in Universities/Colleges/Institutes of Higher Education

Organized by TLC (Ramanujan College), under PMMMNMTT(MHRD)

From 04 June 2020 to 01 July 2020.

RESEARCH STUDENTS

Ph.D. Degree Awarded: 03

Mr. Shuvadeep Karmakar **Ph.D. Completed and Degree Awarded: 2024**
(PhD Supervisor)

Mr. Uday Singh **Ph.D. Completed and Degree Awarded: 2022**

(PhD Supervisor)

Mr. Sanjay Kumar **Ph.D. Completed and Degree Awarded: 2022**
(PhD Co-supervisor)

Research Students Supervising: 05

Mr. Vivek Kumar (Registered in January 2024)

(PhD Supervisor)

Ms. Pratibha Singh (Registered in January 2024)

(PhD Supervisor)

Ms. Kajal (Registered in July 2021)

(PhD Supervisor)

Ms. Babita kumari (Registered in July 2021)

(PhD Supervisor)

Ms. Upasna Rawat (Registered in July 2021)

(PhD Co-supervisor)

Master Thesis Awarded : 03

Ms. Bhavna Sorot : M.Sc.Physics Student Batch 2021-22

Ms. Manisha Sharma : M.Sc.Physics Student Batch 2022-23

Mr. Utsav Saxena : M.Sc.Physics Student Batch 2022-23

Master Thesis Supervising : 02

Ms. Priya Chaudhary : M.Sc.Physics Student Batch 2023-24

Ms. Deepshikha Sharma : M.Sc.Physics Student Batch 2023-24

MEMBERSHIP

Membership in Physics Society and Research Committee: 2

Indian Association of Physics Teachers: Life Time Membership (1355818571)

Research Advisory Committee Member, GLA University Mathura: Two Years (2021-2023)

MoU

Memorandum of Understanding (MoU) signed between GLA University, Mathura and Abroad (Taiwan) and Central Universities of India for Research Collaboration

Institute of Physics, Academia Sinica, Taipei, Taiwan.

Banaras Hindu University, Varanasi, UP, India.

Central University of South Bihar, Gaya, India.

**COURSE
DEVELOPED**

Ph.D. course work in Advance Nuclear Physics I (GLA University July 2019)

Ph.D. course work in Advance Nuclear Physics II (GLA University July 2019)

M.Sc. course work in Nuclear Physics (GLA University December 2020)
B.Sc. course work in Elements of Nuclear Physics (GLA University June 2020)
B.Sc. course work in Atomic Physics (GLA University June 2020)
B.Sc. course work in Electricity and Magnetism (GLA University June 2020)
B.Sc. course work in Nuclear Physics (GLA University June 2021)

**FACULTY
DEVELOPMENT
PROGRAM**

Faculty Development Program Attended: 8

Professional Ethics

*Organized by Reva University, Bengaluru, India
From 02 August 2021 to 06 August 2021.*

Developing online courses for SWAYAM

*Organized by Uttarakhand Open University, Haldwani, India
From 21 June 2021 to 05 July 2021.*

International FDP Hands-on MOODLE

*Organized by ALUMNIASSOCIATION - ANUBANDHA, SJR College for Women, India
From 07 June 2021 to 09 June 2021.*

Web Apps and E-Content Development for Digital Learning

*Organized by Institute of Advanced Studies in Education (IASE) Agartala, Tripura, India
From 25 May 2021 to 29 May 2021.*

Impact of Covid on higher education and research initiatives

*Organized by Srivenkateshwaraa, College of Engineering and Technology, India
From 24 May 2021 to 28 May 2021.*

Live Hands-on Faculty Development Programme Training on Teaching-Learning and Research Aptitude

*Organized by Department of Physics, IAH, GLA University, Mathura, UP
From 21 September 2020 to 26 September 2020.*

Faculty Development Program on ICT based tools and its applications in teaching learning process

*Organized by BSVS Educational Learning Centre, Nagpur
From 27 May 2020 to 02 June 2020.*

**CONFERENCE /
WORKSHOP**

Organized International/National Conference and Workshop : 7

International Conference on Advancement in Core and Frontier of Physics
On 02 February to 04 February 2024 (Three day)

International Conference on Advancement in Core and Frontier of Physics
On 05 February to 07 February 2022 (Three day)

One Day Workshop on Administrative Training for Faculty
On 17 October 2020 (One day)

One Day Workshop on Administrative Training for Non-Teaching Staff
On 10 October 2020 (One day)

One Day Workshop on Research Methodology and Project Writing
On 03 October 2020 (One day)

Training on Teaching-Learning and Research Aptitude
From 21 September 2020 to 26 September 2020 (Six days)

Advance Lecture Series in Physics
From 04 April 2020 to 06 April 2020 (Three days)

Guest Lectures

Organized Guest Lectures by International/National Speakers: 7

Radiation and its Biological effects

Speaker: Prof. Venktesh Singh, Department of Physics, CUSB, Gaya, India
Date: 21 August, 2021

Electro Cooled Germanium Detectors for rare Events Searched at KSNL

Speaker: Dr. Vivek Sharma, Institute of Physics, Academia Sinica, Taipei, Taiwan
Date: 17 July, 2021

New Detector Technology for Rare Event Search

Speaker: Prof. Venktesh Singh, Department of Physics, CUSB, Gaya, India
Date: 01 May, 2021

Naughty Neutrons

Speaker: Dr. Ajay Tyagi, Department of Physics, BHU, Varanasi, India
Date: 06 March, 2021

Observations of Neutrino via Elastic Scattering with Nucleus at Reactor Site

Speaker: Dr. Vivek Sharma, Institute of Physics, Academia Sinica, Taipei, Taiwan
Date: 06 February, 2021

Radiation Interaction with Matter

Speaker: Dr. Ajay Tyagi, Department of Physics, BHU, Varanasi, India

Date: 26 April, 2020

Dark Matter: An Introduction

Speaker: Prof. Venktesh Singh, Department of Physics, CUSB, Gaya, India

Date: 04 April, 2020

INTERNATIONAL
& NATIONAL
SCHOOLS
ATTENDED

International & National Schools Attended : 16

National Workshop on Recent Advances in Condensed Matter and High Energy Physics

Department of Physics, Ewing Christian College, Allahabad, UP, India (2021).

A Workshop on Neutrino Physics: Theory and Experiment

Nuclear and particle Physics, B.H.U. Varanasi , India (2019).

NCTS School on Atomic Theory for Low-Energy Detector Responses

National Dong Hwa University, Hualien, Taiwan (2016).

PSROC Annual Meeting

NTHU, Taiwan (2015).

17th Taiwan Nuclear Physics Summer School

IOP, Academia Sinica, Taipei, Taiwan, (2014).

Winter school on Accelerator

Nuclear and particle Physics, B.H.U. Varanasi , India (2014).

Asia-Europe-Pacific School of High Energy Physics

Physics Department, Kyushu University, Fukuoka, Japan (2012).

25th Spring School on Particles and Fields

NTU, Taipei, Taiwan (2012).

International Workshop on Neutrino Physics, Dark Matter and Gamma Rays

National Chiao-Tung University, Taiwan (2011).

24th Spring School on Particles and Fields

NTHU, Hsinchu, Taiwan (2011).

CERN Summer Internship program

Physics Department, CERN, Geneva, Switzerland (2011).

23th Spring School on Particles and Fields

NCKU, Tainan, Taiwan (2010).

School cum workshop on Nuclear Yrast and Near Yrast States

IIT Roorkee, India (2009).

VII SERC School on Experimental HEP

Indian Institute of Technology, Mumbai, India (2009).

Workshop on Radiation matter interaction under extreme conditions
Banaras Hindu University, Varanasi, India (2008).

Summer School of Computing
Banaras Hindu University, Varanasi, India (2008).

**REVIEWER
AWARD**

Recieved Certificates of Excellence in Reviewing: 08

Certificate of Excellence in Reviewing in 2024, By, Book Publisher International

Certificate of Excellence in Reviewing in 2022, By, International Astronomy and Astrophysics Research Journal

Certificate of Excellence in Reviewing in 2022, By, Asian Journal of Research and Reviews in Physics

Certificate of Excellence in Reviewing in 2022, By, Current Journal of Applied Science and Technology

Certificate of Excellence in Reviewing in 2021, By, Book Publisher International

Certificate of Excellence in Reviewing in 2021, By, International Astronomy and Astrophysics Research Journal

Certificate of Excellence in Reviewing in 2021, By, Physical Science International Journal

Certificate of Excellence in Reviewing in 2020, By, International Astronomy and Astrophysics Research Journal

AWARDS

Selected for Internatinal/Natinal Awards: 1

Awarded:INDIA 100 PRIME Authors AWARD 2021

**JOURNAL
PUBLICATIONS**

Total Paper Published in International / National Journal : 65

INVITED / ORAL TALK : 17
TALK

The advantage of germanium detector technology for rare events search, 3rd International Conference of Advancement in Core and Frontier of Physics (ACFP-2024), GLA University, Mathura, (2024).

Role of the sub-keV Ge detectors for rare event search, Conference on Science for Society under DST-SSR program at BSA College, Mathura (2024).

Characterization of sub keV germanium detector, International Conference of Advancement in Core and Frontier of Physics, GLA University, Mathura (2022).

How to write a PhD Thesis, Shobhit University, Meerut, UP, 12th February 2021.

Role of sub-keV Ge Detector in Dark Matter Searches: Current Status and Future Outlook, Department of Physics, Institute of Science, Banaras Hindu University, Varanasi, 13th March 2020.

Use of Open Broadcaster Software (OBS) and OBS Studio, Faculty Development Program (FDP), Training on Teaching-Learning and Research Aptitude, GLA University, Mathura, (2020).

Dark Matter: An Introduction, Faculty Development Program (FDP), Workshop on Teaching-Learning and Research Aptitude, GLA University, Mathura, (2020).

Energy calibration of the sub-keV germanium detector using different parameters, International eConference on Bio-Electronics and Informatics in the Present Scenario, ECBI 2020, Shobhit University, India (2020).

Study of Low Energy Neutrino Physics and Dark Matter Candidate Searches with sub-keV Ge Detectors, International Conference on Gravitation, Cosmology and Mathematical Physics, GLA University, India (2019).

Characterization of a Hybrid Fast and Thermal Neutron Detector, International Conference on High Energy Radiation and Applications (ICHERA), The Maharaja Sayajirao University of Baroda, Vadodara, India (2017).

Current Status of TEXONO/CDEX Experiment to Explore the sub-keV Energy with Germanium Detectors, 10th One Day Conference in Physics, BHU, India (2017).

Low Energy Neutrino Physics and Dark Matter Searches with sub-keV Germanium Detectors, 11th Identification of Dark Matter conference (IDM2016), University of Sheffield, United Kingdom (UK) (2016).

Neutrino and Dark Matter Experiments with Sub-keV Germanium Detectors, 60th DAE Symp. On Nucl. Phys., India (2015).

Light WIMP Searches with sub-keV Germanium Detectors, PSROC Annual Meeting 2015, NTHU, Taipei, Taiwan (2015).

P Type Point Contact Germanium Detector for Dark Matter Search, DAE-BRNS HEP Symposium, IITG, Assam, India (2014).

Study of Projectile Fragmentation Characteristics, Institute of Physics Academia Sinica

Taipei, Taiwan (2011).

Study of Particle Physics, TDPG College Jaunpur India (2011).
