

SANAM PREET KOUR

Ph. D. Research Scholar

SUMMARY

- Sanam Preet Kour D/o Jaswinder Singh.
- Date of Birth: 13th February, 1997.
- Ph.D. Research scholar, under the guidance of Dr. Sunil Kumar from University of Jammu.
- My area of interest is Sample Survey, Estimation Theory.

🎓 EDUCATION

2021-Present	Ph.D., Statistics (Pursuing) – University of Jammu
2019-2021	M.Phil. Statistics – University of Jammu (A-Grade)
2017-2019	M.Sc. Statistics – University of Jammu (8.58 CGPA)
2014-2017	B.Sc. with Statistics – GCW GandhiNagar, Jammu (67.56%)
2014	Senior Secondary – JK Board (71.4%)
2012	Secondary – JK Board (80%)

TECHNICAL/ RESEARCH SKILLS

TOOLS/LANGUAGES:

- SPSS
- R
- MS Excel, Word, Powerpoint.
- LaTeX
- Statistics
- Sample Survey
- Estimation Theory
- Data Analytics

EXPERIENCE

- 4 years of research experience. I have attended many workshops, national and international conferences during this period. Also, work on one Research and Seed grant on the topic “**Forced Scrambled Optional Randomized Response Model for Concurrent Estimation of Means of Sensitive Variable**” under the Head ‘Quality Assurance Fund (DIQA)’, Dean Research Studies, University of Jammu, Jammu, J&K.

PUBLICATIONS

1. Sunil Kumar, **Sanam Preet Kour** and Monica Choudhary (2021): Improved Randomized Response Model for Estimating the Population Proportion, International Journal of Statistical Sciences. Vol. 21, No. 2.
2. Sunil Kumar and **Sanam Preet Kour** (2021): Estimation of Sensitive Variable in Two-Phase Sampling under Measurement Error And Non-Response Using ORRT Models. Sri Lankan Journal of Applied Statistics, Vol. 22, No.3, 95–122. DOI: <http://doi.org/10.4038/sljastats.v22i3.8052>
3. Sunil Kumar, **Sanam Preet Kour** and Vishwantra Sharma (2022): Modified Exponential Estimators Using Auxiliary Information Under Response and Non-Response, Revista Investigación Operacional. Vol. 43, No.4, 491-504, 2022.
4. Sunil Kumar and **Sanam Preet Kour** (2022): The joint influence of estimation of sensitive variable under measurement error and non-response using ORRT models, Journal of Statistical Computation and Simulation, Vol. 92, No.17, 3583-3604, DOI: [10.1080/00949655.2022.2075362](https://doi.org/10.1080/00949655.2022.2075362)

Bouza, Agustín Santiago (2023): Using ORRT Models for Mean Estimation under Nonresponse and Measurement Errors in Stratified Successive Sampling, Journal of Probability and Statistics, Vol. 2023, Article ID 1340068, 17 pages, <https://doi.org/10.1155/2023/1340068>

8. Sunil Kumar, **Sanam Preet Kour**, Rahul Gupta and J. P. Singh Joorel (2023), A Class of Logarithmic Type Estimator Under Non-Response and Measurement Error Using ORRT Models, Journal of the Indian Society for Probability and Statistics, Vol. 24, No.17, 2023, DOI: [10.1007/s41096-023-00156-7](https://doi.org/10.1007/s41096-023-00156-7)
9. Sunil Kumar and **Sanam Preet Kour** (2023), Quantify the Impact of Non-Response and Measurement Error of Sensitive Variable(s) under Two-Phase Sampling employing ORRT Models, Communication in Advanced Mathematical Sciences, Vol. 6, No.4, 2023, DOI: [10.33434/cams.1365151](https://doi.org/10.33434/cams.1365151)
10. Sunil Kumar and **Sanam Preet Kour**, Applying ORRT for the estimation of population variance of sensitive variable, Communication in Statistics-Simulation and Computation, DOI: [10.1080/03610918.2023.2292966](https://doi.org/10.1080/03610918.2023.2292966)
11. Monica Choudhary, Sunil Kumar, **Sanam Preet Kour** and Tania (2024), An Improved Class of Ratio and Product Estimators Based on ORRT Models, Vol. 47, No. 01, DOI: [10.15446/rce.v47n1.10.6991](https://doi.org/10.15446/rce.v47n1.10.6991)
12. Sunil Kumar, **Sanam Preet Kour**, H. P. Singh and Tania: An Efficient Class of Ratio cum Product Estimators with Non-Response and Measurement Error Using ORRT Models: A Sensitive Estimation Procedure, Revista Investigación Operacional., **(Accepted)**.
13. H. P. Singh, **Sanam Preet Kour**, Sunil Kumar and Rakesh Chib: A Family of Estimators for Variance Estimation, Research in Statistics, **(Accepted)**.
14. Sunil Kumar and **Sanam Preet Kour**: Exponential Estimator in the Absence and Presence of Non-Response Using Double Sampling, Thailand Statistician, **(Accepted)**.

CONFERENCES ATTENDED

1. Participated in Two days National Workshop on **“Research Methodology: Concepts and Application”** organized by Directorate of Student Welfare, Maharana Pratap University of Agriculture and Technology, Udaipur– June, 26-27, 2020.
2. Participated in ATAL Academy Online FDP on **“Artificial Intelligence”** organized by Dr. A P J Abdul Kalam Technical University Uttar Pradesh Lucknow, September, 29-02, 2020.
3. Presented research paper in Online National Seminar on **“Mathematical Science: Repositories of Logical Thoughts And Analytical Tools”** organized by Department of mathematics & statistics, Ch. Charan Singh Haryana Agriculture University, Hisar– December, 2020.
4. Participated in ATAL Academy Online FDP on **“Artificial Intelligence and its Applications”** organized by Government college of engineering, Nagpur – June, 7–11, 2021.
5. Participated in ATAL Academy Online FDP on **“Data Science: Application and Research Direction”** organized by Atal Bihari Vajpayee University – July, 5-9, 2021.
6. Attended an online Three days Workshop on **“Data Analysis Using SPSS”** organized by Department of Statistics, Manipur University, Canchipur, India– October 18-20, 2021.
7. Presented a paper entitled in International Conference on **“Recent Application of Statistical Techniques and Analysis (RASTA-2021)”** organized by Department of Statistics, Institute of Science, Banaras Hindu University Varanasi, – December, 15-17, 2021.
8. Presented paper in International Conference on **“Role of Advance Statistical Tools for Sustainable Development (RASTSD-2022)”** organized by Department of Statistics, University of Rajasthan, Rajasthan– September, 2022.
9. Attended an online workshop on **“Distribution theory and its Applications”**, organized by the International Statistics Fraternity (ISF), School of Physical and Mathematical Sciences and Department of Statistics, University of Kerala, Trivandrum on December 13-15, 2022.
10. Presented a Research Paper on an International Conference on **“Significance of Statistical Sciences in the Emerging Scenario (SSSES-2023)”** organized by the University of Jammu on February 15-17, 2023.
11. Participated in **“One Week National Faculty Development Program On Data Analytics Through SPSS”** organized by Department of Statistics, University of Jammu, on March 13-17, 2023.
12. Presented a Research Paper on an International Conference on **“Neoteric Advancements in Analysis and Applied Mathematics (NA3M)-2023”** organized by the Chandigarh University on December 18-19, 2023.
